## SERIE M HEATED AND WASHER SYSTEM

DESIGNED FOR MERCEDES-BENZ PREMIUM MODELS

The QuickBlade/Serie M wiper blade fits top of the range models. range of Mercedes-Benz. With its spray function washer and heater, it provides cleaning power highly superior.

### Benefit and operation of this new technology

The wipers are equipped with 64 laser-cut perforations. The spray system distributes the washer fluid over the entire length of the wiper blade.

The benefits of having a washer spray closer (+/- 1 inch) between the windshield wiper and the windshield increase the control and performance of wiping at low and high speeds during the winter and the other seasons.

In addition, the wiper has a heating element system. Snow and ice don't build up on the wipers, meaning they stay flexible and efficient at all times.

Heating system powerful integrated in the wiper

- 1 Login for spraying windshield washer fluid
- 2 Connection system heating element current

Equipped with 64 laser-cut perforations, the spray system distributes windshield washer fluid over the entire length of wiper blade.
